

Prayers of the People

Honoring God in Creation

Form 1

Deacon or other Leader

Blessed God, whose love calls the whole creation into covenant with you, and who puts in our hands responsibility for the care of the earth and its creatures: we pray for all to whom you have given life and being, saying, "Merciful God, keep your planet and people in peace."

For the well-being of the earth; for its resources of water, air, light, and soil, that they may be tended for the good of all creatures, we pray:

Merciful God, keep your planet and people in peace.

For the waters of the earth; for their careful use and conservation, that we may have the will and the ability to keep them clean and pure, we pray:

Merciful God, keep your planet and people in peace.

For the mineral and energy resources of the planet, that we may learn sustainable consumption and sound care of the environment from which they come, we pray:

Merciful God, keep your planet and people in peace.

For the animals of the earth, wild and domestic, large and very small, that they may know the harmony of relationship that sustains all life, we pray:

Merciful God, keep your planet and people in peace.

For the creatures of the earth who do us harm and those whose place in your creation we do not understand or welcome, that we may see them as beloved creatures of God, we pray:

Merciful God, keep your planet and people in peace.

For all who shape public policies affecting the planet and its creatures, especially our President and Congress and our Governor and local leaders, that they may consider wisely the well-being of all who come after us, we pray:

Merciful God, keep your planet and people in peace.

For all those engaged in conservation, in agriculture and ranching, in aquaculture and fishing, in mining and industry, and in forestry and timber-harvesting, that the health, fruitfulness, and beauty of the natural world may be sustained alongside human activity, we pray:

Merciful God, keep your planet and people in peace.

For the creatures and the human beings of your world who are ill, or in danger, pain, or special need, and for all who suffer from the unjust, violent, or wasteful use of the earth's resources or their devastation by war, that all may one day live in communities of justice and peace, we pray:

Merciful God, keep your planet and people in peace.

For the gifts of science and technology and for those who practice these skills, that they may be wise, visionary, and compassionate in their work, we pray:

Merciful God, keep your planet and people in peace.

For the creatures and the people of the earth whose lives and deaths have contributed to the fruitful abundance of this planet, we pray:

Merciful God, keep your planet and people in peace.

Gracious God: Grant that your people may have in them the same mind that was in Christ Jesus, and guide us into harmony of relationship through loving-kindness and the wise use of all that you have given; for you are drawing all things into communion with you and with each other by the power of the Holy Spirit. Amen.
