Epiphany Cookie Decorating

Today we continue a great tradition of our denomination. Every year we have an Annual Meeting of the parish where we elect a vestry to represent our parish when it comes to finance, legal issues, and lay leadership. We also learn about the parish budget that was passed by the vestry for that given year. The annual meeting is the best time to look at our resources and how we are spending our money. It is appropriate to ask questions if you have any. You will also learn about the outreach efforts of the church which, at St. John's, are substantial. In good Episcopal fashion, you will receive some good food, and we will not keep you too long. You are most welcome to come, even if you do not consider yourself a member of the parish. I hope to see you there.

Blessings, *Marc*
