This week concludes our Spring Food Drive. Now that nearly all the schools are out, there is a huge need at our local food pantries. The children can no longer count on reduced, or free, food from our local schools, and families have to make up the difference. We accept all non-perishable food items and are especially looking for items like cereal and peanut butter that our food pantries struggle to keep in stock during the summer. I appreciate your efforts and generosity.

It is also Father's Day this weekend. While the church does not have a Father's Day equivalent to Mothering Sunday on Lent IV, we still want to lift up all the men out there who are doing their best to be good fathers. It is a good time to pray for fatherly patience and for peace in our world.

Blessings, Marc
